

SAT School Day

SAT SUITE OF ASSESSMENTS CROSS-REFERENCE GUIDE

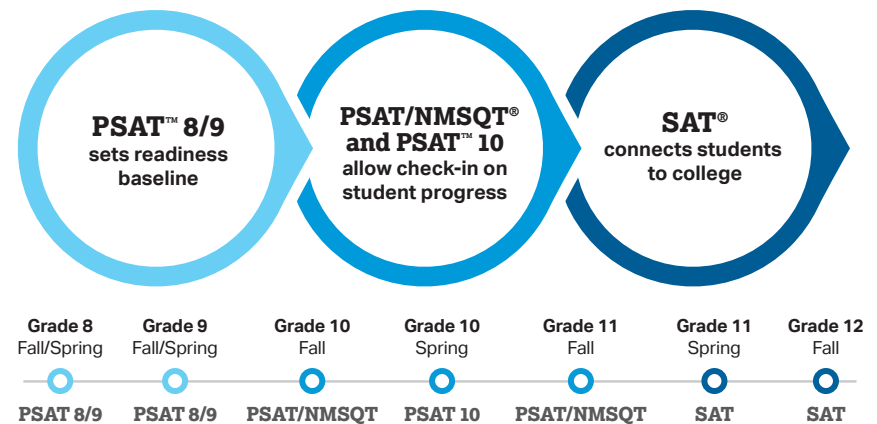

Schools can now order and administer the SAT[®] to any number of students. SAT School Day delivers the SAT in school, on a regular school day, like the PSAT-related assessments. Schools can order any of the entire SAT Suite of Assessments—the SAT, PSAT/NMSQT[®], PSAT[™] 10, and PSAT[™] 8/9—in one place, with the ability to choose between multiple test days.

This reference guide outlines the similarities and differences across our in-school and weekend assessments to help you better understand how the SAT Suite of Assessments can work best for your school.

Schools that are already scheduled to be a test center for Saturday SAT testing can also participate in SAT School Day.
